*Empowering  
And Supporting  
Against Abuse.*

*Greetings!*

Thank you very much to you our supporters, friends and family of Bontlebame. Because of you, 2015 will see Bontlebame Non Profit Organisation celebrate 5years of existence and touching, changing and inspiring lives. The last four years have been an exciting learning platform which has led to many successes - from hosting the inaugural 1st Dinner against the abuse of Women and Children in 2010 to growing our reach especially through Facebook, the annual events against abuse of the vulnerable, Lunching Mothers events, Girls of Hope Workshops and the Bikers Ride Against the Abuse of the Women (BRAAW). All our platforms and initiatives have been successful in driving positive, progressive, constructive, inspirational and meaningful messages against abuse and poverty and thier related effects.

We could not have achieved our successes without you! We thank you and look forward to more meaningful connections with you, your organisations and networks at large. It is only through you that Bontlebame can establish a national foot print through which more and more lives can be touched, healed and improved.

It is satisfying to have assisted and supported Women and young people from Cape Town to Polokwane, Rustenburg to the Vaal, Soweto to Tshwane and be featured on many different mediums, even those that we had not heard of before- indicative of the need and role for Bontlebame in the many different parts of society.

We are growing and you help us grow; our growth becomes a source of healing and positive change for our beneficiaries. Our Beaded White Ribbon project has reached as far as Germany in partnership Women Across Borders and we have expanded the Beaded White Ribbon message through beaded bracelets as well.

The Girls of Hope programme has touched up to 40 Young Girls at risk and hosted up to 13 inspirational workshops in 2014.

Our 2014 Lunching Mother's Charity High Tea has been our most successful fundraiser to date, mainly because of the generosity of African Pride Melrose Arch Hotel and Ms. Zoleka Mandela.

## 2015 Bontlebame Calendar

- **GirlsOfHope** Monthly Workshops: targeting underprivileged pre-teens and teens at risk, they come from difficult and challenging backgrounds and families. This platform aims to empower and somewhat prepare these young girls for the critical phase of puberty and adolescence, build their self-esteem, encourage them to dream and dream big and work hard towards achieving their dreams. We bring different speakers, take the Girls on excursions - we had the privilege of Miss Lira work-shopping the Girls in 2014. Our priority goal is to support them to complete high school without unplanned pregnancy, strife to acquire tertiary education and recognise their live's purpose and end the cycle of poverty.

- **MARCH :**  
 Human Rights Day: **Annual Leaders event Against Abuse:** The event aims to target Leaders in all sectors of our economy and society in our attempt increase awareness and engagement with the abuse which takes place in all spaces at all times...especially now that we are exposed to more gruesome, violent and fatal abuse of the vulnerable. The event will not only create awareness but also fundraise to assist Bontlebame with hosting dialogues against abuse in infor-

mal settlements, townships and rural areas throughout the year.

- **MAY:**  
 Mother's Day: **Lunching Mothers Charity Event:** to fundraise for the Girls of Hope programme and is hosted on the 30th May 2015 brings together Mothers, guardians, aunts, caregivers and mothers to be to dialogue on challenges, joys, and successes and fears we experience in our journey of Mothering and most importantly to celebrate the mothers we are while fundraising for the Girls of Hope programme.

- **JULY:**  
**702 Walk the Talk:** Join Bontlebame by registering as part of the Bontlebame group at the 702 Walk the Talk as we walk against the abuse of the vulnerable and create awareness, call for an end of abuse and to leaders to take a public stance against abuse at every given opportunity.

• **AUGUST:**

Womens Day: **Bikers Ride Against Abuse of Women (BRAAW)** : Hosted on South Africa's Women's day to create noise and awareness against women abuse and just as the Women of 1956 marched to the Union Buildings, the Bikers and Riders will be on our streets to call for an end to abuse of women and children. This is because we cannot celebrate Women's day when more and more women are yet to be emancipated. The BRAAW is an opportunity for all South Africans to participate in action against abuse of the women on this special day.

**Beaded White Ribbon** : Though the campaign continues throughout the year, we intensify effort during Women's Month. It is the voice for the victims, survivors and sufferers and increases awareness of our stance against abuse. It is dedicated to remind society of the cries, screams, rage and deaths resulting from violence and abuse against the vulnerable - it speaks against abuse when we are busy with other life's demands.

Through the Beaded White Ribbon the message against abuse will reach the workplace, the boardrooms, churches, buses, trains and most importantly our homes - open dialogue where it is needed the most. The perpetrator too will become conscious of the war against abuse and in this way behaviour will start to be influenced. It is also a source

if income for the unemployed women that make the Beaded Ribbons.

• **NOVEMBER :**

**Year End Function:** Bontlebame Academy closes and we celebrate the dedication, commitment and hard work of our volunteers and beneficiaries.

• **DECEMBER:**

**Girls of Hope Camp:** The planned camp will intensify our effort to empower and inspire the Girls towards a brighter future, encourage them to stay in school and to follow and work hard towards realising their dreams and ambitions, build their self-esteem and also help them overcome their respective life challenges and traumatic experiences. The camp will also be a celebration of the year's work, commitment and achievements.

And of course our Founder Kea Modise-Moloto is available to speak and participate at your different events and workshops: 082 970 6035.
